

Inner Communion

Wednesday, 28 January 2009

No updates in a coupla months. Parenthood (or parenthood of infants) does not leave a lot of time for childish thoughts, although it does leave a lot of time for childish photos. To wit:

- Some snaps from a chilly Thanksgiving
- More KT Snaps from her much used iphone
- Piccies from the Inauguration Party and thereabouts.

Just noticed a disturbing similarity between nixta & ollie .
